

Forums Pavilions

Be in the middle of all the AirVenture action when you rent one of our Forums Pavilions! Located near the Flightline, these venues offer easy access for AirVenture guests. Some pavilions offer direct placement off the road, resulting in high exposure to your event, while other pavilions are set back and are more private. You can also get a spectacular view of the airshows! These venues host educational forums daily, but are great spaces for your evening event.
