Memorial Wall Order Form

Each individual inscription is limited to two lines of 28 characters each. The name is not automatically included in the inscription, and will count towards the character limit. In addition to the person's name, you may wish to include any aviation or military related titles, EAA Member number, hometown, and/or the sentiment of your choice. The individual 2-line inscriptions are cast onto large bronze plaques containing multiple names, and these plaques are installed on the Memorial Wall each year immediately prior to EAA® AirVenture® Oshkosh™.

** = Required*

Each line is centered and fits up to 28 characters including letters, numbers, punctuation, and spaces.
